Future Goals

Short-term goal

- Electronic Documents
 - Form 6 – Electronic Agreement

Long-term goal

- Online registration system
 - Security and system requirement challenges

Form 6

Electronic Agreement

- Include with **Form 1 or 22**
- Only need to submit **once**
 - Unless Responsible Official changes

This Electronic Agreement authorizes the California Air Resources Board's (CARB) Portable Equipment Registration Program (PERP) to send PERP-related notifications and documents, including registration documents, electronically in lieu of written notifications. Any associated registration identification device (such as a registration sticker) and placard will be mailed separately.

This agreement also requires application submittals and notifications to be sent electronically instead of mailing documents through postal services.

Complete and submit this Agreement in order to send and receive PERP-related applications and notifications, including registration documents, electronically instead of by conventional or hard-copy mail.

Signature

☐ By signing this form, I hereby request to receive all notices and documents, including registration documents related to portable engines and equipment units for which I have responsibility as an owner, operator, or responsible official under PERP, electronically to my email address provided below, and agree to receive such documents electronically.

☐ By signing this form, I understand that I must submit PERP-related applications and notifications through email to PERP instead of mailing documents to CARB's locations.
