RE: Voluntary Submission of Climate-Related Financial Risks Report

To Whom It May Concern:

LiveRamp submits this statement in connection with California State Bill 261 and the voluntary submission of its climate-related financial risks report.

LiveRamp's climate-related financial risks report is consolidated and inclusive of all LiveRamp subsidiaries globally. The report was prepared in accordance with The Final Report of Recommendations of the Task Force on Climate-Related Financial Disclosures (TCFD).

In addition to filing the report with CARB, the report is publicly available on LiveRamp's investor relations website: https://investors.liveramp.com/social-responsibility.

Sincerely,

Drew Borst
Vice President, Investor Relations
